## KIDDE Products

**Cat#KN-COPE-1/21007624**  
Photoelectric Smoke and Carbon Monoxide Alarm 120vac (Interconnectable), 2 LED Display, 9V Battery Backup, Front Load Battery, Peak Level Memory, Smart Hush, Voice Message System, Low Battery Hush. Quick Connect Harness Incl. Easy Install. Smart 2 in 1 Voice Alarm.UL

\$59.36

**Cat #i12040/21006378**  
Kidde Hardwire Smoke Alarm w/ Battery Backup and Alarm Memory  
120V AC Wire-in with Battery Backup and Smart Hush. Hush feature temporarily silences nuisance alarm. One touch test button tests unit's electronic circuitry. Battery backup 9V battery included  
Tamper resist locking pin helps deter alarm tampering and theft. UL

Lots/6 \$14.45  
\$12.99

**Cat #PE120E/21006371**  
Test button; Green LED "POWER ON" indicator; AC; 9v battery backup (included), photo electric eye; low battery indicator; 5-Year limited warranty; interconnect up to 24 units

Lots/6 \$26.73  
\$24.30

**Cat #KN-COB-IC/900-0120**  
Kidde Hardwire Carbon Monoxide Alarm with Battery Backup. (Interconnectable) 120V AC 60HZ,9V battery back-up. Battery Pull tab, Adjustable Mounting Bracket, Quick Connect. Tamper Resist Locking Feature. Smart interconnect system.

\$42.42

**BRK Electronics Smoke Alarm**  
Cat #4120  
120v, AC, 60 Hz, alarm indication identifies which unit initiated an alarm. Universal mounting bracket, locking feature to deter removal of smoke alarm. Ionization. Quick & easy install. UL Listed

Lots/6 \$4.45  
\$3.95

**BRK Electronics Smoke Alarm**  
Cat #SA303  
Ionization technology, easy to install. Missing battery guard. Loud 85 decibel alarm, low battery warning, silence button quiets unwanted alarm, side battery drawer and blinking power indicator.

Lots/6 \$5.45  
\$4.95

**Heat Detector**  
Cat #HD135F  
120v AC Single or Multiple station w/9v battery backup; 136° heat detector, alarms when temperature reaches 135°. Can be interconnected w/quick connector. Audible Signal  
Color: White

Lots/6 \$26.24  
\$23.85

**Kidde Smoke Relay Module**  
Cat #SM120X  
For use with multiple station alarms and detectors. Controls and connects auxiliary warning devices. Internal power supply for pull station comparability

Lots/6 \$9.42  
\$7.64

**Kidde Carbon Monoxide Relay Module**  
Cat #CO120X  
Inter-connectable. For use with multiple station alarms and detectors. Switches connected device power when a CO interconnected signal is received. Connects auxiliary warning device

Lots/6 \$11.85  
\$10.64

**Firex Products**  
Cat #06011  
Direct plug-in, test/reset button, plug-in to any standard 120v outlet, 2 LED indicators, green indicates "POWER ON" amber indicates CO alarm malfunction; and red flashing "ALARM ON" indicates dangerous levels of CO are present; 2 stage alarm "WARNING" and "DANGER"

\$32.50

**Edwards AC Powered Heat Detectors**  
Cat #EDW-282B-PL  
194° Fixed temperature and rate of rise

Lots/10 \$12.85

**Cat #445**  
135° fixed temperature open circuit. 900 sq. ft. coverage

\$3.50

**Edwards Heat Detectors**  
Cat #EDW-281B-PL  
135° rate of rise. 2500 square ft coverage.  
Ceiling mount -White.

\$11.95

**Fenwal Detect-A-Fire**  
Cat #27121-0-325  
For fire protection for schools, factories, offices etc. Also for specific applications as paint booths. Known for there durability & accuracy. UL & CUL listed and FM approved as fire detection thermostats and as releasing devices. Closes on contact action on TempRise

Lots/4 \$9.95  
\$7.49

**Wheelock Inc. Speaker Strobe**  
Cat #E7024MCFW  
Strobe speaker, Square, Red wall mount, 2 wire, 24 VDC, 1110CD

\$37.50
