

# SMOKE & FIRE

## KIDDE Products

AC Powered Smoke & Fire Alarms  
 Cat #1235E  
 Test button; Green LED "POWER ON" indicator; AC,  
 5-Year limited warranty; Interconnect up to 24 units  
 \$7.45  
 Lots/6 \$6.89

Cat #PE120E/21006371  
 Test button; Green LED "POWER ON" indicator; AC;  
 9v battery backup (included), photo electric eye; low  
 battery indicator; 5-Year limited warranty; intercon-  
 nect up to 24 units \$26.73  
 Lots/6 \$24.30

## Heat Detector

Cat #HD135F  
 120v AC w/9v battery backup; 136° heat  
 detector, alarms when temperature reaches 135°.   
 Can be interconnected w/other Fyrnetic devices.  
 \$26.24  
 Lots/6 \$23.85

**Kidde Smoke Relay Module**  
 Cat #SM120X  
 For use with multiple station alarms and detectors.  
 Controls and connects auxiliary warning devices.  
 Internal power supply for pull station comparability  
 \$9.42  
 Lots/6 \$8.19

**Kidde Carbon Monoxide Relay Module**  
 Cat #CO120X  
 Inter-connectable. For use with multiple station  
 alarms and detectors. Switches connected device  
 power when a CO interconnected signal is received.  
 Connects auxiliary warning device  
 \$13.11  
 Lots/6 \$11.40

## Firex Products

Cat #428  
 120v; LED indicates that smoke alarm is  
 receiving power, test/reset button, 5 year limited warranty.  
 Interconnect up to 18 units; Direct replacement for FX1014,  
 FX1020, FX1106, OR FXW-1A  
 \$8.47  
 Lots/6 \$7.87

Cat #05000  
 120v, lighted power and alarm indicator, test/reset button, 9v  
 battery backup (included), 5 year limited warranty; Interconnect  
 up to 18 units w/false alarm control  
 \$13.50  
 Lots/6 \$12.70

Cat #04480  
 120v; lighted power and alarm indicator, test/reset  
 button, loud piercing horn, quick wiring harness, Photoelectric, 9v  
 battery backup (included), w/photo electric eye, 5-year limited  
 warranty; Interconnect up to 18 units  
 \$24.95  
 Lots/6 \$22.50

## Heat Alarms

Cat #05700  
 AC powered, 120v; lighted power and alarm indicator,  
 test/reset, 9V battery backup (included); 135° F Fixed  
 temperature; Interconnect up to 18 units  
 \$19.90  
 Lots/6 \$18.75

Cat #06011  
 Direct plug-in, test/reset button, plug-in to any stan-  
 dard 120v outlet, 2 LED indicators, green indicates  
 "POWER ON" amber indicates CO alarm malfunction;  
 and red flashing "ALARM ON" indicates dangerous  
 levels of CO are present; 2 stage alarm "WARNING"  
 and "DANGER" \$32.50

## BRK Electronics Smoke Alarm

Cat #4120  
 120v, AC, 60 Hz, alarm indication identifies which unit  
 initiated an alarm. Universal mounting bracket, locking  
 feature to deter removal of smoke alarm. Ionization. Quick  
 & easy install. UL Listed  
 \$4.45  
 Lots/6 \$3.95

## BRK Electronics Smoke Alarm

Cat #SA303  
 Ionization technology, easy to install. Missing battery guard.  
 Loud 85 decibel alarm, low battery warning, silence button,  
 quiets unwanted alarm, side battery drawer and blinking  
 power indicator.  
 \$5.45  
 Lots/6 \$4.95

## Kidde Smoke Alarm

Cat #440374  
 Kidde, Model #0915K, White, Includes 9V Battery, Con-  
 tinuous protection during power outages. Flashing red  
 LED  
 \$7.95  
 Lots/6

## Edwards AC Powered Heat Detectors

Cat #EDW-282B-PL  
 194° Fixed temperature and rate of rise  
 \$9.88  
 Lots/10

Cat #445  
 135° fixed temperature open circuit. 900 sq. ft. cover-  
 age  
 \$3.50

Edwards Heat Detectors  
 Cat #EDW-281B-PL  
 135° rate of rise. 2500 square ft coverage. Ceiling  
 mount -White.  
 \$9.95  
 Lots/12 \$7.95

## Fenwal Detect-A-Fire

Cat #27121-0-325  
 For fire protection for schools, factories, offices etc.  
 Also for specific applications as paint booths. Known  
 for there durability & accuracy. UL & CUL listed and FM  
 approved as fire detection thermostats and as releas-  
 ing devices. Closes on contact action on TempRise  
 \$9.95  
 Lots/4 \$7.49
